“So vital and young and so full of life. You were taken too soon, that pain cuts like a knife. You lived life to the fullest with the time that you had. Enjoying the good and struggling with the bad. We'll think of you always as we look up at the sky and see you in the fluffy white clouds as they slowly pass by. Just know that you are loved so very much by the family and friends whose lives you touched. We will miss you forever, and our love will never end. Be at peace with God until we meet again. We love you, Damyn Elijah.”

The family of Damyn wishes to extend sincere thanks to all the family and friends who have been so helpful and supportive during this tragic time.

This tribute was lovingly written by his family.

“ My heart goes out to your family Day, you were such a good kid we're sure gonna miss having you around the house, what I'd give to just be able to tell you just come through the front door and not through the window again. I'm sure gonna miss the smile you n sergi would get when I'm calling y'all out on sumthin or just watching y'all be kids and listen to music hanging out on the table or in the back yard. I will always remember that big cheesy smile you had the day you realized that you put me on to some music when I was listening to one of your songs 🥺. You are well missed and will forever be loved and in all of our hearts especially all the boys... watch down on all these knuckleheads, especially when we as parents can't ... Rest In Love! L.L.D.R
