“ I will never say goodbye to you my Father cause I know this is not the end for us to see each other. I am happy for you, for you will be with God. For now we need to go our seperate ways.I remember the last time I held your hand and how you looked into my eyes. If only I could turn back the time, I would never let you go. Just like the rain;tears fell down from my eyes, I couldn't speak for a while. Here deep inside my heart you will always be. I would give up everything I have just to hug you one more time. Thank you Dad for always understanding, listening, caring, and loving me for the rest of your life. It's difficult to let you go but I must.I felt the world stop and my heart stop beating when they told me you were gone. How I wish I was only dreaming. I must return the gift god gave me till then; See you in Heaven.... Love and miss you dearly! Alfred, Donna, Alfred Jr. Ashley, Nathaniel....
