“ *Condolences to the family. Dan the Man was a beautiful person, always willing to help. Just recently found out of his passing, because had been trying to reach out to him. Did know he was moving back to Roswell, wished I had reached out sooner. Always a phone call away when I wanted to hear a friendly voice. Always laughing and always positive!!!! He surely will be missed. GOD keep you in his arms.....*

“ Danny was like a brother to me and I always could call on him for a good word or just a hello. He was a hard worker and would give you the shirt off his back. I will miss him dearly.

“ My thoughts and prayers are with the family. Danny was an awesome guy! He was the epitome of a great neighbor, never had to worry about my house because he always had an eye on it for me. I'm going to miss seeing and hearing him say "Hey Coach!" Even though he was a neighbor he became a friend to me and my pup!
