“ Daphne was the dearest of friends. She was always there. She walked the walk. She taught me so much about the Lord. Her love of the Lord, her family and friends was such an example. I know she's dancing and singing for the Lord.

“ I first met Daphie (my second mama) twenty years ago. When my mama passed 15 years ago, she stepped right into that role and took me and my children under her wing, as she did with so many others. She had a n-nonsense, common sense way about her that I just love. She never hesitated to tell a person exactly what needed to be done and how to do it the right way, usually accompanied with, "It is what it is... so just take care of it." This world will never be the same without her in it, but I know she is rejoicing on streets of gold now!!! You are loved and missed every moment. Love, your "daughter", Kim
