“ Every trip we made to Albuquerque she always went determined we would go out and enjoy ourselves and be tourist. By the time we would arrive she'd be too wore out to even sit outside. I always knew what to expect in reality. So while she slept I would find whatever food she had imagined we go out and eat. I would order it and get it all set up for us. Most of the time I'd get her up and she'd just smile and try her best to eat what she could. I miss those days even though they were due to unpleasant circumstances. Daria I miss you!!!!

Kim Ledbetter, Daria said every trip to Albuquerque that you went on involved you using the ride to traffic meth rather than care for her, you did not love Daria, Kim you kept Daria doped up on the meth you sell! Its a shame and disgrace.
