"I thought of you with love today, but that is nothing new. I thought about you yesterday and days before that too. I think of you in silence, I often speak your name. All I have are memories and your picture in a frame. Your memory is my keepsake with which I'll never part, God has you in His keeping, and I have you in my heart."

We would like to give a special thank you to all the staff at UNM Cancer Center, ER staff at ENMMC along with Dr. Wulf and Dr. Rizich, and Gentiva Hospice nurses Frances Olivas and Pauline Hickey, and the rest of the staff that assisted in the care of our beloved brother.

Please take a moment to share your thoughts and memories with David's family in the online register at andersonbethany.com.
