“ *Deepest sympathies to all of David's family and friends. Although we hadn't seen each other for 26 years (since high school) - I was just asking a mutual friend about David last month and was looking forward to seeing him again soon. What a sad loss for all who knew him.....*

“ *To the doyal siblings I offer my deepest empathy, for I lost my brother 13 monthes ago. I have always considered the Doyal family as if always sharing a special place in my heart as if they were my own family as I once considered them to be and that kind of love never dies. If anything I can do or if one of you in particular would like to talk to me, please call me at 317-4317. You all will be in my thoughts and the memorys that David and I shared were the same as brothers would share. We had some super crazy and fun times. I thank him for the joy he brought into my life. May God receive his soul and always look over him. God Bless you all. Doris (Mom) hang in there. My mother had all of us and I know is thankful for that. Susay if you'd like to talk I will listen. Remember when Dad (Cecil) made us all go to church... It was a blast wasn't it? lol And we owe most of it to David just for who he was. God Bless him and may his soul rest in forever peace.
