“ *I also worked with Dave, he was one of the good guys. Never had a lot of anger about anything. Sure at times he would get a little upset about something, but never let it bring him down. Good working man!*

“ Charlotte,

I am so sorry for your loss. David meant the world to me and he will be greatly missed. I will always remember him calling me every now and then referring to himself as David #1 and he truly was in my life too.

*It's always hard to lose someone
That meant so much to you.
Someone who touched your life,
Who helped you make it through.*

*Someone who you dearly miss,
Who just can't be replaced.
The future that's before you
Is so hard now to face.*

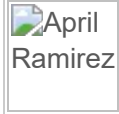

*Their death has hurt you deeply.
You need time to grieve.
Please know that I am here for you
For anything you need.*

*May you feel God's love and comfort.
May your memories never fade.
Of the precious loved one that you lost
Who in heaven you'll see someday.*

Love you both!
