“ Condolences to David’s family and friends! 🙏

Last week, January, 2022, I learned that you past away at the tender age of 45. I was heartbroken to discover you were gone for already 15 years! I knew you since high school, and really cared deeply about you. You wore your heart on your sleeve. Many of us saw how protective and how well you looked after your brother before his accident. You were such a good person, a loving person, and a memorable person. When I moved home after living in MA for 25 years, I thought about you and started to search for you, with the hope that you were happy, healthy, holy, vibrant, and thriving, but only to find out you had already returned home, to our real home. All I can say is, well done my friend. Well done! You evidently, touched many peoples hearts over the years, and have left fond memories for everyone to remember you, and if that’s not a sign of who you were as a person here, than I don’t know what else could convey the beautiful soul you were. Until we meet again.... ✨💛✨🙏💕

“ David was one of my favorite classmates in the CIS course at ENMU-R. He never ceased to make me laugh, and was always willing to share his knowledge and understanding with a great smile, and wonderful sense of humor. I was blessed to have met/known him however brief the time.

“ I got to know David while teaching Computer classes at ENMU-R about 5 years ago. What a wonderful man, and one of my favorite students of all time. He would bring me food to class and we would sit after class with the tin foil and plastic forks and eat his latest creation. His meat loaf was the best I have ever had. I just happened to open the Daily Record online today and found this news. What a sad day. My thoughts go out to all who are feeling this loss.

“ Some of my favorite memories of Growing up as a kid was with Scott, David, Dennis and I. We used to go golfing all the time at that 9-hole golf course on San Mateo. We could sure make up for all the lost balls in the lake by the ones we retrieved from the lake,until they finally caught on to us. Just Hanging out and being fun loving, good natured and somewhat mischievous kids was a blast. Our hearts go out to you, Love Dean Bond & family
