I'm Free Don't grieve for me, for now I'm free, I'm following the path God laid for me, I took His hand when I heard Him call, I turned my back and left it all, I could not stay another day, to laugh, to love, to work or play. Tasks left undone must stay that way, I found that peace at the close of the day, If my parting has left a void, then fill it with remembered joy. A friendship shared, a laugh, a kiss, all these things I too will miss. Be not burdened with times of sorrow, I wish for you the sunshine of tomorrow. My life's been full, I've savored much, good friends, good times, a loved one's touch. Perhaps my time seemed all too brief, don't lengthen it now with undue grief. Lift up your hearts and share with me, God wanted me now, He set me free.

“ David, We are so sorry for the loss of your son. Cant imagine the pain you must be going through but always remember that now your son can hunt and fish all day now with no worries. Sounds like you have a large family and friends and that is always a comfort in times like this. Cindy and I are over seas in the Middle East supporting our troops and try to make it back to Roswell once a year and would like to see ya sometime. May god bless and comfort you and your family today and the days that follow. Ben and Cindy Lovelace
