“ *Christine, Matt, Kellie, and David,
We are heart broken to hear of the passing of Mr. Sorenson. He was gentle, kind, and a loving person. He was an inspiration to everyone that knew him. We will forever be thankful to him and Mrs. Sorenson for the encouragement and influence they had on Letizia and Mariza to further their education and always do their best. They embraced my mom as part of their family and shared a special bond with our family.*

Our thoughts and love are with you always. We celebrate your Dad's life for the extraordinary person he was.

“ *Dear: Christine, Matt and Kellie,
Lots of good memories with your dad and ya'll, hunting, fishing, Christmas time and Sunday afternoons. Loved his laugh and humor. Truly a gentleman, kind to the bone. He helped me see some things after my dads passing. I will never forget his words. It meant a lot to me. I'll always remember him. Great guy! Wishing you all comfort.*

*Sincerely,
Harry Curtis*

“ I have so many great memories of Dave and our two families together on fishing trips in New Mexico. I am extremely fortunate to have spent time with Dave and his group of friends & family who congregated at Vermejo annually for so many years. He was one of the kindest, generous, and understanding individuals I have had the honor of knowing and his presence is greatly missed.

Our thoughts and prayers are with his family.
