“ *My heart felt condolences to the family of David especially his sister Mary Ann who was one of my best friends in school at East Grand Plains. Even though I did not know David that well, I know he will be missed. Whenever I saw him, he always had a smile on his face and happy to see me. I am sorry for your loss and my prayers go to you.*

“ I am shocked. David and I were in the National Guard together for many years. He was the kindest person I know. David always had time to visit with you and he was a friend. I remember when he was run over by his own car and had the tire marks on his chest and still came to drill. I always thought he was a gentle giant.

“ My deepest sympathy for the loss. David was one of the kindest and most sincere people I have ever known. I will miss getting to visit and share stories and jokes with him as he had so many interesting things to share. We all lost a great friend and the world shall be a little dimmer for it.

“ May God bless you all with your loss of David and ease your pain. I knew David and his wife many years ago when I lived in Roswell. He was my neighbor and a great friend. I was in the National Guard with him as well. I don't think I ever knew a nicer person than him.

“ I am so sorry to hear about David. I went to school with David in Dexter, and he was one of the kindest guys you could know. I remeber David living in Midway, and hopping on the freight train to come to school. David had a good life by touching others in such kind way.
