Box of Ashes I travel East & I travel west from China to a golden gate Where I go now I cannot say but a candle and a compass might help me find my way If I should go that way a box of ashes nearly six pounds and a red rose from each of you will wish me good sailing in calm seas I love you all.

“ *I am so sorry for your loss. I am sure David was a wonderful husband, father, and grandfather. I hope you find comfort in each other during this very difficult time.*

I only learned today that David was my cousin. I found his picture in some old photos and googled his name trying to find him so that I might make contact with him. I am so sad that I am just days too late to have met. My father, Hugh Weller was David's uncle. I would love to hear from you when you feel up to an email.

Please accept my sympathy. I hope to hear from you soon. Leslie Weller Thomas lesandtj@ckt.net
