“ *It was an absolute pleasure to greet the Wheeler's, Sunday after Sunday, at Berrendo Baptist Church. He always met me with a smile and without a doubt, he wore the coolest suspenders. David will be missed terribly but we are assured, another member of our Church family has received his eternal reward and for that, we are grateful. May God comfort and hold this family and may they know and feel God's love through us as we stand with them during this difficult time.*
