“ *Debora was any extremely sweet woman who was always helping others. I have never stopped missing her and remembering all the great times we had as kids.*

“ *Debora would walk the way to the University picking up trash, making the 'Base' more attractive. She only had love for the people, a kind word or just her arms and heart to help others. She leaves an empty void where there was warmth and love. I can never love another. She was perfect for me. The Lord she loved, needed her more than I was worthy of. Her Loving Husband, bruce*

“ *My love, my heart, my life.  
Debora was an Angel who graced this Earth with her love and  
generosity for too brief a time and who brought me the brightest joy  
of my life. Her absence makes this world a colder, darker place and  
as my wife, she was the reason my heart was filled.  
Someday, we will again embrace in Heaven, if I am worthy.*

“ *Condolences to Debora's family. We were her neighbors for many  
years. I pray for comfort for Debora's family. No doubt Debora's  
wings have spirited her away to a better place where she can find  
peace.*
