“ *To all of this family I send my condolences, you know how very important the Dunn family has been to me. I know the steps we all take bring us closer to the end on this earth. Praying we are all ready to meet our Lord and Savior. Much love.*

“ *I remember Debbie with love 💕 in my heart. I did not see her in recent years and I am very sorry for that. I love all the Dunn Family as my own. They came into my life as neighborhood kids and became family. We have seen many of the Dunn family leave us. So to all those left on earth may we comfort each other and look to God for strength and the hope of being reunited one day.*

I love you Susan and wish I was there to hug you and all your family. Matthew I know this is a very hard time for you and there is nothing to be put into words that will make this time easier. I hope you have faith in the Lord to carry you on. To all of Debbie's family bless your broken hearts 💔 I love you.
