“ Dear Tom and family of Lynn and Tom, you well know how much Lynn was loved, was adored by so many. At the meetings her perceptive comments and her laugh illuminated the Kingdom Hall time and again. Working with you both in the ministry was a pleasure beyond words. She was so adept at knowing and using the right words at the right time when conversing with people.

*I will treasure the memory of Lynn twisting and dancing the night away with us in Artesia this year at the soul gig. Thank you for introducing us to a wonderful lady. One of the many things you and Jehovah have in common - He and you both chose a very special lady.*

*Jehovah God will call Lynn and we will see her again on a beautiful earth - so many are looking forward to hearing that laugh again.*

“ Dear Tom and family,

*I am so sorry for your loss. I worked with Lynn at the New Mexico Rehabilitation Center. She became a second mother to me and I will always remember her and be forever grateful for the time and support she gave me. I have had some personal issues in my life the past few years and I could count on Lynn to lend a sympathetic ear or insight from her personal experiences through life. Even in the darkest part of her illness, she would message me on Facebook with some encouraging support and uplifting comments. Lynn was a beautiful person, inside and out. I'm honored that I got to know her and spend time with her. She was loved by many and I hope you all feel comfort in knowing how many people were touched by her. Love and prayers to you all.*
