“ *Aunt Debbie...I will always and forever remember her for her love and compassion for all animals big and small. Some of my best memories as a kid were going to her house. I credit my love and passion for animals to her. I will always love you! You will be greatly missed!!!!*

“ *Sister, mother, aunt, friend and a great cook. Debbie you will be missed by so many. You have blessed so many lives with your grace and kindness. I have personally seen your generosity when you had little to spare. Selfless, generous, kind and loving. Your heart will always remain golden and your spirit will always be kind, free and remembered. My tears are a mixture of sadness and remembering joy. I know your father, mother, older brother and sister are with you in the kingdom and you are probably sticking your tongue out at them, you brat! I will always cherish and remember you Aunt Debbie.*
