“ Dee would babysit me and my brother when we were younger back in the 60's. She lived on Richardson, just down the street from our house. She was such a sweet lady. She was like a grandmother to us. Our prayers go to her family.

“ This Lady was a God sent gift to everyone who had the Honor of knowing Her. Her and Her Husband would come to Texas every year to be with all the Family and camp out on the Colorado River. Dee was always laughing or had a smile on her face. She was always so happy. She was one of the most kind people I have ever known and She will be missed by everyone who had the Honor of knowing Her. I Love you Dee. Say Hello to Bub for all of us.
