“ I loved to hear her talk and to sing. She was such an amazing woman. Dearly missed but never ever forgotten.

“ She had asked me gor my nieta. So a few weeks ago I brought him in to see her. She hugged him and was happy to see him. She was an amazing lady. She told me one time, "let's see if he gives me 100 more"? I will miss her tremendously. ADC will never be the same. She's with her maker now.
