When tomorrow starts without me,
please try to understand,
that an angel came and called my name,
and took me by the hand;
and said my place was ready.
In Heaven far above,
and that I'd have to leave behind
all those I dearly love.
I know how much you love me,
as much as I love you,
and each time that you think of me,
I know you'll miss me too.
But when I walked
through Heavens Gates
I felt so much at home,
for God looked down, smiled at me,
and told me "Welcome Home."
So when tomorrow starts without me,
don't think we are far apart,
for every time you think of me, I'm right there in your heart.

“ *Dear Aunt Delia,
I am sadden to hear of your passing. The Last time we talked was the passing of your son Steven. Time does fly, with our busy lives. I have thought of you many times through threw the years. I lived so close yet so far away. I was just thinking of the Home coming you had in Heaven. All your brothers and sisters, parents and Your Son to welcome you home. What a party. Love you Aunt Delia.
