During Delma's life, she worked for Furr's Super Market, Office Max, McCoy's and Home Health. Her most favorite job of all was being a mom to her three beautiful daughters. Delma enjoyed spending time outdoors and watching her girls play sports. She cherished her family and loved being with them and her fur baby, Blu, always by her side. Delma had a good sense of humor and loved to joke around and make people's day. She had the purest heart of gold and a very infectious smile. Delma had deep faith in God and loved going to church. She loved to cook, Delma was the best at everything. She will be greatly missed by her family and friends. "We love you to infinity and beyond, forever in our hearts."

Those left to carry on Delma's legacy are her three daughters: Victoria Sanchez and companion, Adrian Lopez, Alexis Sanchez, Olivia Mendoza; and fur baby, Blu all of Roswell, NM; father, Luvin and wife, Franses Sanchez of Ruidoso, New Mexico; sister, Annie Mae Sanchez and companion, Gerado

Irigoyen; brother, Joseph Sanchez and companion, Sandra Barrera all of Roswell, New Mexico; numerous nieces and nephews; great-nieces and nephews; tias and tios; cousins; and longtime family friends: John Gray of Rio Rancho, New Mexico, and Mike Mendoza of Roswell, New Mexico.

Preceding Delma in death were her mother, Gloria J. Sanchez; older brother, Freddie Sanchez; sister, Geraldine Sanchez; as well as Tias and Tios.

Delma's tribute was beautifully written in her honor by her daughters.

"We Had a Wonderful Mother"

"We had a wonderful Mother,

One who never really grew old;

Her smile was made of sunshine,

And her heart was solid gold;

Her eyes were as bright as shining stars;

In her cheeks, fair roses you see.

We had a wonderful Mother,

And that's the way it will be. But take heed,

because she's still keeping an eye on all of us.

So, let's make sure she will like what she sees."

“ *My thoughts and prayers are with the family. Delma and I had been room mates a couple of times and good friends for years. It just doesn't seem right to be posting this. She went way to soon. I know you are rejoicing with your family and enjoying your new healed body. RIP my friend until we see each other again.*

“ I grew up with Delma from grade school on up. We only lived a block away. We lost touch as most of us do when we become adults and parents, but got the pleasure of being at the softball fields to watch our girls play. I will miss running into her here and there. She was a great person with a beautiful laugh and smile. You will always be apart of my childhood memories. My thoughts and prayers goes out to her family.

“ *She will forever be in my heart. She was a very dear friend. I knew her for what seemed a lifetime, since we were first in grade school together. We had so many memories together growing up. My heart aches for those of us she left behind, and I take solace that she has joined her mother and brother.*
