“ *I still remember when I went to stay with you and Pop im Brownfield when I was only about 5. I told you "I didnt want to stay here I just wanted to see the place". You would always bring that up as the years went on. I did stay though for a week or so and I remember you making me peanut butter toast for breakfast and sleeping on the hideaway bed in the spare room. I love you gram and treasure every memory. RIP.*

“ I just want to share my thoughts and prayers to our family at this time . I will miss her smile that i always got when I saw her . She was an awesome person and cousin to me ! My Grannie Dorene wanted me to share a few words that she misses her so much but knows she is in a much better place than we are now . She was so happy to get to see her this last may and get to spend some time with her . Grannie has shared a few stories about them when they were growing up as girls and how they married brothers . How very close they were like sisters . I so much enjoyed these stories about my family and will cherish them forever in my heart . God Bless you all , Love Twilla Ervin Barnett
