“ My thoughts and prayers go out to the Conlon and Smith family. Diane and I worked together a Kokopelli Real Estate. She was one of the sweetest people I had ever met. I hold told her one day that my grandson wanted a night coat, the next week he came in the office and she supriised him with one she made just for him, he was so excited. She had a very kind heart and I will miss her.

“ Dear Jimmy, Judy, Barbara and Diana, it breaks my heart to hear of your loss. Her mother was a dear friend and the knowledge that now Diana will know her is comforting to me. Cherish your memories, pass them on generation to generation, and Diana will live forever.
