“ Growing up, Diana and Jimmie were like family to me. Jimmie helped raise me, and Diana was always there with her warm smile and gentle, caring heart. Some of my happiest childhood memories came from the time I spent in their home. I still remember how much I loved Diana’s Mickey Mouse themed room. To me, it was the coolest room ever. Little things like this made their home feel magical and full of warmth.

Even after I moved away for college, Diana never stopped being a part of my life. She would message me or call just to check in, to offer encouragement, or simply to make sure I was doing okay. Her kindness was effortless, and her love was steady and sincere. She was someone I could always talk to, just like Jimmie, someone who made me feel heard and cared for.

Her passing was so sudden and so heartbreaking. She was taken far too soon. But the compassion she showed, the laughter she shared, and the faith she lived by will never be forgotten. I take comfort in knowing she is at peace and held in God’s embrace. I will always carry with me the memories, the conversations, and the love that Diana shared with me. Her presence in my life shaped me in ways I will always be grateful for.

“The Lord is close to the brokenhearted and saves those who are crushed in spirit.” — Psalm 34:18

Diana, thank you for the love, light, and comfort you gave so freely. You will always be remembered and forever loved.
