

## Diana Shull

February 1, 1969 - May 6, 2013

Diana Sue Shull went home to be with her Lord on May 6, 2013.

Diana was born in Harrisburg, PA on February 1, 1969 to Douglas and Sandy Pellegrini. Diana grew up and went to school in Oklahoma until moving to Roswell in 1994. Meeting through mutual friends, Diana met and fell in love with her best friend and husband, Garry Shull. Diana and Garry were married on July 25, 2004.

Diana was a wife, mother, grandmother and friend to all. She loved her family, caring for her husband Garry, and her daughters, Chelsie, Samantha, Errin and Shelby, and her beautiful grandchildren, Daisha, Isaiah and Kole, being with them was her favorite thing to do. She also loved her cat Holstein, who was her constant companion. Diana was an avid Denver Broncos fan, never missing a game and loving a trip to Denver to watch them play.

Diana is survived by her best friend and husband, Garry of the family home; her daughters, Chelsie Bilby of Tulsa, OK; Samantha Shull of Grants, NM; Errin Bilby and Shelby Shull of Roswell, NM; her mother, Sandy Hughes of Norman, OK; and her brother, Kris Pellegrini of Colorado Springs, CO. She was preceded in death by her father, Douglas Pellegrini.

Diana impacted many people's lives. God gave us two hands, One for receiving, One for giving. Diana's giving hand was always full as she would help anyone she thought was in need. Always putting everyone else's needs before hers.

Diana will be greatly missed by her family, friends and everyone who knew

her.

Services are under the direction of Anderson-Bethany Funeral Home and Crematory.

“ Hey momma, I love you and am thinking of you today. I wish you could have met your grandkids, my babies, but someday we will all meet again in heaven. Until then, I love you.

“ Mom, I miss you everyday. My life will never be the same without you. When good things happen, I want to call you and tell you about them, forgetting that you are right there next to me and you see it all. You were an AMAZING mother, you sacrificed everything for me, always gave and always forgave me for the things I put you through. I only wish I could have communicated how much you meant to me, you are my best friend. I love you more than the stars in the sky. I love to remember your laugh. I especially love listening to DMX "Up in here" and picturing you dancing and rapping. I love you Mom.
