

## Dianna Lynn Novak

November 21, 1960 - January 1, 2021

Dianna Novak was born in Portales, NM on November 21, 1960 to James Howard and Patricia McCrary. She was the oldest of four girls. In her early childhood, Dianna enjoyed spending her time at the farm in Arch. Dianna graduated from Roswell High School in 1978. Shortly after that, she married Mike Novak and together they had one child, Kambrea. Dianna enjoyed being outdoors, camping in the mountains, looking for arrowheads, and riding three-wheelers. She had perfected the art of antiquing. Dianna went back to college at ENMU-R and graduated as a Certified Medical Assistant. With her degree, she worked at BCA Medical up until the last few months of her life. Dianna could not wait to be a grandma and loved to spoil her two grandchildren. Dianna and her mother, Pat, shared a special bond. She had an enormous heart and had so much love for all her family and friends.

“ *Pat, I remember Dianna as a child when we all worked for the clinic in Roswell. She and Zoe Ann went to school together as did your other girls. Pat as you know there is no loss like that of a child. May God put his loving arms around you and your family at this time. Remember the good times as those are what get us through our grief. If you are ever in Amarillo please give me a call. I would love to see you. God Bless.*
