“ *I just found out about her passing, I'm so sorry :(She was my teacher at RHS(I went from '95/'98 when I graduated)...She was like a mom to me and gave me the best advice about everything I asked about, I trusted her with everything in what I told her and KNEW she'd not say a word to anyone else- She was a sweetheart of a woman and the best thing was watching her and Mr. Zamora(I forget his first name, my apologies), before they started dating and when they dated, it was ADORABLE, he made her smile and she made him smile- She was giddy and sooo happy to have found someone who understood her and best of all, cared about her :) I wish I had known of her passing so I could've come given my respects(and him also)...Fly high Mrs. Zamora- You were an awesome lady and a GREAT teacher, wonderful asset you were to all of us students who had you at RHS :) I miss you*

“ Hey kids, I'm so sorry about your Mom and Grandma but I'm glad she is no longer feeling bad. I want to tell you two memories I have of your mom. She use to bring me Pizza Puffs and Cheetos just came out with a chip that brought that memory back. To top it off they have become a favorite of Kiwi's. The second happened after Tammie was born and we all know I didn't like her, (was jealous off her) but child I love you so much now (Tonya you also). She took me shopping for my first aquarium and fish. We bought goldfish and the one she picked out didn't have eyes but she told me it was kinda like your Aunt Pam and it still needed a home and love. She was right and she taught me a valuable lesson that I carry with me daily. I. Love You guys to the moon and back. Aunt Brenda
