The Love Within My Heart

I know not where to begin, my friend,

I know not where to start.

I only know that I must share

The love within my heart.

For my dear Lord did plant it

And tended it with care

Then whispered words of encouragement,

“Now is the time to share.”

“Help those in need,” He told me,

“Give them care and hope.

If they are plunged in misery

Help them find the strength to cope.”
“Console the low and lonely,
Show charity to one and all.
Help lift them up when saddened.
If perhaps they should stumble or fall.”
I put His words to practice.
Every day I try my best,
To do as He has told me
By spreading joy and happiness.
“Let charity and love prevail,
Help others find their way,”
Are my Lord’s words of wisdom
That I try to live by every day.
