“ *My Mom was a tremendous example to me, and I will always cherish the wonderful memories we shared together. She was extremely proud of her children and the life she made for us. When the grandchildren came along, she definitely made an impact on their lives, because she was so "Granny."*

When I was attending college, two friends home with me for the weekend, and Mom cooked for us and we laughed together and just had a great weekend! My friends absolutely loved "Granny!" She welcomed people into her home—making them feel at home.

On my way home from work, I would call Mom every day. She would tell me about the television shows she had watched that day—Gunsmoke, Bonanza or the Food Network.

I will miss talking to her, but I am certain her struggle is over and she now resides in a MANSION in Heaven.

I love you Mom!

“ You were such a loving and giving person. I have so many wonderful memories of you. Your cooking, you sweet tea, how your freezer and fridge were always full of homemade items. How you used to let me and Nae stay up late on Saturday's and drink coffee and play spoons or cards. Taking care of me and treating me as if I was your own. You will be missed Granny. I know you are not with us physically but I know you will watch over us. Love you Granny. Thank you for always being the constant I could always count on.

“ Our mother comes from a long line of strong Garcia women. She fought her illness until she could fight no more. She was hardworking and completely devoted to her children and grandchildren. There was nothing she wouldn't do for us. For all the sacrifices you made to provide a life for us we are eternally grateful. We your children could not have asked for a better mother. You leave us knowing that you have instilled in each of us the values of family, hard work and integrity. Our hearts are filled with sadness and loss but we are assured that one day we will be together again with you and with all our family that has gone before us. Love you, mom.

"Into your hands O Lord. We commend her spirit"
