Dolores Faye Peralta

It is with great sadness that we announce the passing of Dolores (Dot) Faye Peralta. Dot was born in Artesia, New Mexico on January 13, 1947. She is predeceased by her mother, Theresa Rivera and sons Tony Ray, Benny Junior (Blondie) and Fabian Gene Peralta. She has two daughters, Pastor Debra Lynn and Teresa Renee and one son, Rudy Max. Dot was married 54 years to Benny (Ben) Peralta. She leaves her sisters Jeanette (Chuckles) Green, Frankie Lydiard, Rosemarie Green, Paula (Yaya) Jordan (Kim) and one brother, Jerry Green (Cathy). She also leaves behind numerous grandchildren with special mention of Toni, Amber, Janelle, Jacob and Ayrk who had a special place in her heart. She also leaves behind many great grandchildren, and several nieces and nephews. Dot was employed at St. Mary's Hospital and then later, at the Eastern NM Medical Center where she received several service excellence awards. She was loved and respected by patients and colleagues.

Dot was a true matriarch. She was a dedicated and loving lady who took great pride in her family's accomplishments. She was a woman who earned respect and influence with the people in her sphere from her strength, commitment and ability to love with wisdom and compassionate spirit. If you were blessed to have met Dot, you would have a memory when she connected with your soul through her beautiful captivating auburn eyes and infectious smile. We will miss her fabulous cooking, singing and dancing, and kind-heartedness to

friends and family. She was a competitor; very fond of all theatrics, supported her children's sporting ventures, and loved winning at biblical trivia.

A wise man said, "There are no goodbyes for us, wherever you are, you'll always be in our hearts." The family would like to acknowledge Esmeralda for the amazing compassionate care she provided throughout the years, and a special thank you to Pastors Wayne and Janice Snow. Funeral arrangements are being made through Anderson-Bethany Funeral Home. Services will be announced at a later date.

“ *I had the privilege of working at St Mary's with Delores. I am so sad she is no longer with us. She was a delight to work with and a pleasure to know. I know God has a special place for Delores. She was a blessing to her patients and took such great care and was so proud of her children. Blessings to her family.*

“ My heart goes out to each of you. Dolores always had a smile on her face as well as the rest of you. She always made you feel at home when you walked into the house. She has such a Beautiful family as all of you made me feel welcome. The Memory I want to share is of when my grandson Morgan cuffed Dolores to the dining room chair, as he was a mischievous child. The whole family took care of my grandchildren. He always played with play handcuffs and would pretend to cuff her to the chair. Then the day came they were doing this and they were actually real handcuffs he had that day-his fathers. They had to call his dad to come and take the handcuffs off her. I still smile at this recollection of her. She was a VERY GOOD SPORT!! May God Bless each of you and wrap you in His arms. You did an amazing job of taking care of her and she was a fighter and never gave up. God Bless This Amazing Family. Love you all. Marla Haydon. .

“ *Delores is in her heavenly home; she only changed her address and lives there loving her family, praying for you and protecting you as she did here.*

I was blessed to know and work with Delores at St. Mary's. Many times our conversations would turn to the Lord, and with joy in her heart her kids. We laughed and cried together. My deepest condolences to the Peralta family. RIP dear sweet and beautiful friend.
