“ To My Love, words cannot describe the loss i feel saying farewell to you, but heaven chose to give you wings and now it is time you flew. I wish that we could have more time, that God had let you stay. Forever would no be long enough but I would take one more day. I wish I had just one more chance to see that tender smile and so handsome face of yours, to laugh with you again my love just for a little while. Gone to soon, but not forgotten, Forever you will remain in my heart, My guiding light, my shinning star, until i see your face again. I will always and forever Love you my love.
