“ *Many beautiful memories of you growing up. You and Dora are my God Parents. I always wondered what happened to you guys. I remember how happy you both were. Dora with her owl collection and you always holding me in your arms. Such a wonderful man. May you rest in peace.*

“ *We were neighbors of Dom's for many years. Our sister, Lorraine Tooher, cleaned house for him years ago also. We were all so saddened to read of his passing. We fondly remember how he would faithfully walk his very big black dog every day for years. He was always so kind to Lorraine also. We were especially happy when his sister and he reunited and enjoyed each other's company. He was a unique character and we appreciated his back east ways (we are from New Jersey). We truly wish his family peace and comfort. We will say a prayer for you all.*
