Donald Joseph Hunt, 75, passed away on Tuesday, August 6, 2024, in Roswell, NM. Please take a moment and share a kind thought or memory with Don's family at [www.andersonbethany.com](http://www.andersonbethany.com).

The Memorial Services will be held at Peachtree Village Retirement Community, 1301 W. Country Club Rd., on Friday, August 23, 2024, at 9:30 AM.

On April 9, 1949, Don was born to Forrest Emeret and Mary Joanne Hunt in Torrance, CA. He graduated from Torrance High School, and he went on to receive his bachelor's degree from UCLA in governmental economics. He lived and worked in Los Angeles for most of his career one of the jobs he loved the most was teaching for the independent skills and living center run by Easter Seals organization. Don would help teach those with limited abilities life skills, so they could go on and live as independently as possible. He taught them to keep their head held high, and a smile on their face, and to take pride in what they accomplished every step of the way.

He loved to travel and challenge himself both physically and mentally. He would work long enough to save up for his next adventure and off he would go. Some of the challenges he took on solo. Such as walking from Mexico to Canada, climbing Mt. Kilimanjaro in Africa, Mt. Fuji in Japan, bicycling across

Australia, walking partway and bicycling the rest of the way across Europe. But his favorite adventures were with his youngest daughter Donna Marie together on 10 speeds they left oceanside California on May 22, 1986, when Donna was only 11 years old. They peddled for two straight months and 3,400 miles until reaching Chesapeake Bay Virginia on July 22, 1986, along the way Donna turned 12 and was treated to a very special hot fudge Sunday. Together the duo road 10 speeds across South America when she was 14 years old and turned 15 on the road.

Some of his favorite pastimes were ping pong and chess. Everybody who met Don always said he was a very nice, polite, caring, outgoing person, they all said he could make them laugh.

Don will be greatly missed by his family and his friends.

Those left to cherish their memories of Don are his two daughters: Carrie Ann Houghtaling and spouse Edward Lee Houghtaling, and their children; Christina Nicole Estavillo, Clifford Ben Estavillo, Allyson Lee Houghtaling, Morgan Preston Houghtaling and their grandchildren Anaiese Nicole Alvarado, James Sebastian, Corey Taylor Peterson, Evelyn Veronica Blair, Arya Rose Blair, Billy Jean IV, and Callum Cash Cooper; his youngest daughter, Donna Marie Tutor and spouse Justin Deeds Tutor and their children, Autumn Nicole Ramirez, Zoe Adele Tutor, Nathan Gregory Tutor, Sophia Marie Tutor, and Rory Noah Tutor; Don's brothers: David Hunt, and Forrest Emeret Hunt III and spouse Jo Ann Hunt and their daughter Randy Lynn Wade and her spouse Bryan and their two children Sydney Wade and Porter Wade; daughter-in-law, Katrina Hunt and children, Mirabel Hunt and Caroline Hunt.

“ I worked for Don as a caregiver and became fast friends with him. He was always very polite and thoughtful of others. Me and him would play a little Chess, go for rides in and around town but my fondest memories were in dining with him. He really enjoyed his food albeit was thrifty. He enjoyed Wendy's 5 dollar meal deal especially the chocolate frosty! He also introduced me to the excellent hot dogs with a soda out at Sam's club for just a buck thirty eight... Haha. I will miss him and his warm smile. See you later my friend up with the angels.

“Dad I am extremely grateful for the last couple of years with you, the time we had together. I know I wasn't always as patient or understanding as I could have been. I am extremely sorry for that. I miss you and our time together. I love you very much. I will see you in heaven when it is my time. Until then know you are in our hearts and thoughts.

He loved you too sweet Kimberly. You knew how to make him smile, laugh and feel proud of himself. I loved the way you would put the song 'Hit the Rod Jack' on everytime you two would go walking. You each had your parts to sing. It was a blessing to see that and walk, laugh and have fun with the two of you and then rest in the sun for 15 minutes of Vitamin D. You were very special to him I can never thank you enough for the wonderful way you cared for and loved our Dad.
