I didn't know my mom as much as I wish I did, but through the stories I heard about her I believe that she was an amazing woman. When I would see pictures of her I

would be proud to say that's my mom because I thought she was so beautiful, and I always wanted long gorgeous hair like hers. I know that she made mistakes in her life, but I know that she never stopped loving me and for that I will never forget her. I don't remember the last time I got to hug her and say I love you mom, so now I want to take the opportunity to say it, "I LOVE YOU MOM AND I MISS YOU VERY MUCH." Daughter, Destinie Marquez
