“ Ms. Gladys, William, Amber, along with the rest of the family, please accept my condolences for the passing of Dorian. I worked with Gladys for The Head Start for many years. This family was also neighbors of mine at the time I lived on East Bland St. This is a prime example of why love, respect, and happiness is so important here on the earth, for it truly is our temporary home! Please feel free to contact me Ms. Gladys should there be something I can do for you and your family. All my love, thoughts and prayers.
