“ I have many memories of the times we shared together during our sista hood and friends with her life. Doris is surely missed but she left fond memories imprinted in my heart which I will or can't ever get. I will always remember her soft soprano voice as we sang and praised God together and her beauty. She is at rest now from all the trials she endured in her life. I thank God for sharing her with me for the time we had together. My prayers will always be with KiAndra and family with love.

“ Rest in peace....

foods you remember, flowers you pick,
the fragrance of life itself. She's the cool
hand on your knee when you're not feeling
well, she's your breath in the air on a
cold winter's day. She is the sound of the
rain that lulls you to sleep, the colors
of a rainbow, she is Christmas morning.
Your mother loves inside your laughter.
She's the place you came from, your first
home, and she's the map you follow with
every step you take. She's your first love.
