“ *We are sorry to hear of Dorothy's passing; we just learned of her whereabouts this week. I believe that she may be a cousin of my husband, Wayne Ingalls; if her grandparents were Alton & Rosanna (Martin) Ingalls, of Maine. We have been trying to learn what became of Alton & Rosanna Ingalls. Please, if their are any of Dorothy's family that could help us learn of her family please contact us.*

“ *Dot has now made her ultimate trip - we were very sorry to hear of her passing - she will be greatly missed by everyone she touched. She was certainly a lady on the go - don't ever remember a time when we did not hear that she was just packing to go on another trip or just returning - she was a world traveler like no one else. She loved her trips and friends and family. Always looked forward to our conversations and the stories about our family and how she and my Dad would get always be joking and getting each other in trouble when they were kids. Our thoughts and prayers are with her friends, and especially her "adopted family" in New Mexico. We are all blessed by knowing her.*

“ *So sorry to hear of Dot's passing. Many memories of Dot visiting our home and us to her home in Trenton. Plus visiting her in NJ where she worked summers. She was my Dad's cousin. She was a special lady.*
