“ *Mrs. Hutsell was my neighbor for 12 years and I loved to see her come out each day in her pretty outfits and when she would wave hello to me. She always had a smile on her face when she got to get some fresh air and do a little walk to the car. She loved to go out to eat with her family or care givers. Such a beautiful lady she was and so strong in her beliefs in the Lord. I was so blessed to get to know her and her family. She is now in heaven and reunited with Mr. Hutsell. What a joyous day in heaven it must be.*

Judy, thank you for sharing your wonderful memories with us. Mom loved going for rides, often stopping at Dairy Queen for her favorite meal of chicken strips followed by the complimentary hot fudge sundae. We found out from her brother Jimmy on Monday evening when he came to see her last week, that their parents would load up the car with a bunch of the kids and go for rides into town or out in the country. We never knew that before.

“ I had the privilege of knowing Dreta the close to seven years I lived in Ecuador ('81-'87) and helped out with admin work at the beautiful office she and Paul set up to manage all the work that Paul's position as Area Director/Andean Region of the Assemblies of God required. How do I remember her? She was gracious, hospitable, fun-loving, talented, determined, humble, resilient and always considerate of others. She loved the Lord and her family intensely. One fun memory I have of Dreta was how she used to sit down at the piano and encourage her dog, Trixie, to sing along. Trixie knew how to recognize musical talent and always responded with a howling tune. I also remember how Paul never tired of telling everyone she was the real "peach that he picked" in California! My deepest condolences to her family and friends and God's grace to you as you mourn her loss. Together with you, I rejoice in knowing she has been reunited with Paul and all her loved ones who have gone before her to her heavenly home. I'm sure her Lord and Master has welcomed her already with a greeting of "well done, good and faithful servant."

I have wonderful memories clear back to Paul being in school at Waxahatchie, Tex. One summer my daddy hired Paul to drive his Mistletoe Express truck from Alva, Okla. to Enid, Okla. at night. Our pastor Olen T. Craig had back surgery and Paul preached on Sundays and Wed. p.m. Paul and Dreta lived in their trailer in our backyard in Alva. Diane learned to walk with my sister Lorene and I holding her hands. Through the years the Hutsells visited in our home many times. Always such a blessing to us! We bought my folk's house when I retired in '01. That fall, Paul called that they were going to be in NW Okla. We enjoyed having them, Johnny & Ruth Baxter, and our pastors for dinner. Then when Alva A/G Church had the Homecoming celebration, Paul & Dreta stayed in our home again, blessing us! Can't help but be singing the chorus--"I'm All Packed Up for My Journey" that they taught us in the '50's! May the Lord Bless each of you Hutsell Descendants and your families is our prayer!
