“ I was blessed to have Junior as my father-in-law. I lost my own father when I was a teenager and later on I looked up to Junior as a father figure. He was one of the smartest and strongest people I have ever known. He faced many challenges, especially in his senior years. But he never complained and just rolled with the punches. He was a no nonsense guy who wouldn't take crap from anyone, while at the same time he was very caring, loving, and supportive to his family and friends. Thank you, Junior, for accepting me as a member of your family.

“ My father was an amazing man. The gifts he gave us are in our DNA. And those are the greatest gifts he could’ve ever given us. He was strong, generous, stern, friendly, compassionate, and humorous not to mention many more wonderful attributes. I will love this man even after I join him in the next life.
