December 26, 1980 - February 18, 2018

Dustin Louis-Eugene (Harris) Wright, 37, passed away on Sunday, February 18, 2018. A Memorial Service will be held at Anderson Bethany Funeral Home on Saturday, February 24, 2018, 4:00 PM. Brother Savino will be officiating. Celebrate Dustin's life by visiting www.andersonbethany.com to offer a memory or expression of sympathy for his family.

On December 26, 1980, Dustin was born to Terry and Judith Wright in Albuquerque, NM. The family moved to Roswell NM, where Dustin became the oldest brother of Westley and Kyle Wright. When his parents divorced, Jude re-married Tracy Harris in 1995. Our dad Tracy raised us three boys as his own, unconditionally and taught us discipline, work ethics, kept us in sports and coached us; making sure he instilled in us his morals and what God offered us. As children, we accepted Jesu as our Lord and Savior. Dustin found a love for boxing at a very young age and trained many years accumulating many wins as he traveled to various notable trainers and partners. Influences in Dustin's boxing days were trainer, Willie Hall, Tony Barela, Donnell Hunter, Jr. Benites and Nathaniel Haynes.

Dustin became a father and naturally his ability to love with his big heart was known and began to show. He was happiest when he was being the loving father he was. Dustin moved from Phoenix back to Roswell, where he would be closer to his children who were very important to him.

A close lifelong friend, he always looked for advice and guidance from Albert Padilla, who always went out of his way to be there for Dustin. Dominic

Carrasco and Raymond Flores were also two of Dustin's closest friends, who will miss him dearly.

Jack of all trades, Dustin acquired many skills and abilities throughout his life. He was a hard worker and yet never asked for help. He a private person and a great cook. Dustin will be dearly missed by Dominic and Raymond, his closest friends and many who trained with him while he was boxing.

Those left to eternally treasure and cherish memories of Dustin are his wife, Priscilla Wright of Phoenix, AZ; children: Raveah Wright, Serenity Wright, Nehemiah Wright; step-children: Karizma Romero, Dominic Romero, Anthony Romero; parents: Tracy and Jude Harris; brothers: Westley Harris, Kyle Wright, Austin Wright; brother, Damian Wright, Kurtis Wright, Kirk Wright; and only sister, Danielle Wright; step-brother, Shawn Harris; step-sister, Alexandra Arias; multiple uncles; aunts; cousins; six nieces and one nephew.

Preceding Dustin in death were his daughter, Lincoln Wright; father, Terry Wright; grandparents: Robert and Pilar Harris, Petra Padilla, Louis Padilla; and niece, and Elianna Wright.

Dustin's family would like to give a Special Thanks to Shawn Reeves and wife, Erica Reeves, Veronica Trujillo and family, as well as his friends that he boxed with. They would also like to Thank Valley View Elementary and everyone not mentioned but recognized for their support and contributions.

Dustin's family lovingly wrote this tribute in his honor.

“ *I remember when we started hanging out ten years ago, then boom ten years later one day someone's knocking on my door saying they're my new neighbor. "Lucille I'm home." It had been so long that we seen each other that I thought gosh I know that guy , but I don't remember who he is . Then I laughed because the second time you left I finally realized oh yeah that's Dustin. The beard must've fooled me. Seems like we talked everyday after that rather it was so you could use my microwave, borrow some movies, or just to talk. Which we did a lot. It's a lot more quiet around my place now, I'm gonna get some elephants to put by my door like you told me about. RIP my bro Dustin until we meet again. Your neighbor Seth.*

“Dustin, i will never forget your contagious smile, how you could walk into a room and make everyone laugh. I will keep out late night conversations in mind and how much we would just talk about everyone. Growing up you were my Big Brother, and then we grew up and life happened and took us in different directions, But then we came back together and it was like we never skipped a beat. You will always be my "BIG BROTHER", I love you and am going to miss our late night conversations. Miss you BIG BROTHER, no more pain and suffering. Be the Guardian Angel I know you are.

Jude, Westley, Kyle and Tracy, I love you guys very much and am so very sorry.

“ May God rest your soul cuzooo. One great memory i have is the last time i saw and hung out with you. Your girlfriend at the times daughter was in the hospital in Albuquerque. You called to me to see if i could come by the hospital so i may pray over her. When i arrived there you greeted me with a nice hand shake and hug and told me ' Damnnnn Cuzz' you lost all kinds of weight they can't call you BIG dreamr anymore, it has to be like ' Mid Dreamr'. I remember laughing so hard after that comment. Much love Fam, and i can't tell you how much I'm sorry i couldn't hear you out or be there through your days of trouble.
