To My Special Grandpa

They say there is a reason
and they say that time will heal,
but neither time nor reason
will change the way I feel.

A thousand words won't bring you back,
I know because I've tried
neither will a thousand tears,
I know because I've cried.
So let me tell you something
So there won't be no doubt,
Your so wonderful to think of
But so hard to be without.
