“ I first met Eddy when I was in high school and friends with Brandy and Billie. We were always at their house. Hanging out, causing trouble (but not too much). He showed me all of his cool police gear. Then later in life, I had the pleasure of working with Eddy at RPD. He was a seasoned vet and I was just a young bright eyed rookie. He was a great cop, great family man, and a great friend. Rest in peace Big Ed.

“ I worked with Eddy at the Roswell Police Department. He was a genuine, kindhearted, helpful and generous man. He always, always had a big smile and a warm greeting. I know he helped plenty of people, just by being himself. Laura and the family are in my prayers. Rest easy Eddy... We'll take it from here.

“ I met Eddy when I was working at the Roswell Police Department and when he started working for the Chaves County Sheriff's office. He was always such a positive person to work with, always smiling and asking how everyone was doing. He spoke very lovingly about his wife, his family and was very proud of their accomplishments. I will keep him, his family and his friends in my prayers. May he rest in peace.

“ Eddy and I worked together many years at the Police Department. He always had a smile on his face and stood ready to help anybody and anywhere.

There is a Hebrew proverb which states: "Say not in grief 'he is no more' but in thankfulness that he was." I choose to remember Eddy's friendship and smile in thankfulness that he was.

“ I will always miss my Father. Growing up he taught me how to play football, baseball, how to hunt and fish. I best thing he taught me was how to be a man by setting the best example. I couldn't ask for a better father. I sleep peacefully knowing he is with Jesus Christ looking down and smiling. I can't wait to walk the streets of gold with you when I get to heaven. I love you and I'll see you when I get there.

“ Eddy is one of a kind, a true friend, I can't count how many times he had my back at the PD and when I became a Probation/Parole officer. Both our dads were Sheriff's so we had a close connection. He touched the lives of many and I ask God to bless the family.
