“ *Dear Blanca, Vicente and family,
May God bless you and your family through this difficult time. Eddie will always be in our hearts and prayers.
I believe Eddie was five years old when I realized how talented, intelligent, humorous and musically talented he was. I will never forget watching him interacting with the TV as he watched PRO bowling. He knew the bowlers names and he would get so excited as he watched them bowl.
Dear sweet friend may God hold you and you loving family close until we see you again.
Sincerely
Eduardo Aguilar, Patsy Martin and family*
