“ Our deepest sympathy to Edward's family, may he rest in peace. The last time I saw Edward was at Roman Sanchez funeral. Edward was a good vecino living right next door for many years while growing up in Artesia.

Your friends and vecino,

“*Lou Ann and I send our love and prayers to Edward’s family and all who loved him and miss him. Edward was not only an amazing baseball coach but he was a great role model and friend. He taught me more about how to play and think baseball than anyone. A story I want to share is of when my dad died just after I turned 16. The graveside service was in Hagerman, and I remember and appreciate my high school friends being there to hug on us. But more than anyone, I remember Edward being there. The fact that he took off work and made a point to be there was very special to me. His presence there for some reason was very comforting. He was a very special man to many people!*

“*Edward was my Babe Ruth coach for AAGA and one day during practice, I was playing first base. Coach Edward was hitting balls to the infield players and hit a pop up fly ball in my direction. I hollered “I got it” repeatedly. I misjudged the ball and it tipped the edge of the glove and the ball hit me between my eyes knocking off my glasses and knocking me out. I woke up with a big knot on my forehead and Coach Edward laughing so hard saying “I got it, I got it.”*

As I grew older I would see Edward and he would start laughing with his contagious laugh and quickly remind me of that day. Our short visits would always end with handshake and a hug. I loved that guy. But know that as we reflect back on the memories he left us, Heaven has been blessed with the infectious laughs and hugs of Edward Pacheco.

Our deepest Condolences to the family.

“ Edward and I grew up on the north side of Artesia. Our families were good friends. I remember when I was in the third grade, my friends and I asked him why we couldn't go to a CYO dance. He said you're too young but you can when you're in high school. We rode off on our bikes mumbling...we're never going to get in. He laughed so hard at us. I have lots of good memories of Edward that I will cherish always. A true, kind and a great friend. RIP Edward! I know your mama has you in heaven with her. You'll be missed!

“ Edward was always a breath of fresh air. Albert and I thought highly you him and his family. I still remember our Teams of our Lady camping trip. When he came running into the camp yelling the Viper is coming, the Viper is coming, then pulls out his hand wrapped in toilet paper and asking, you vant a vipe? Before that I never knew he had another side of him. I am so so sorry for your loss. Prayers for all of you.
