“ *Dear Joel, I realize you probably don't remember me, but I carried mail to your folks at 714 Oregon St. I even had coffee/milk and cookies in the kitchen. I remember your folks as being very friendly and outgoing. May God bless you, and yours. With Sympathy, Dave DeLancey*

“ *Joel, your dad was my first cousin. I had not seen your parents in many years but do remember them from when they used to come to Grandma Lininger's house and we visited. Your dad used to tease me when I was little. So sorry to hear about your Mom's passing. You have my heart-felt sympathy. Bonny Lininger Lyons*

“ Joel, so sorry to hear of your Mother's passing. We were good friends in our younger years and was pleased to have her contact me to attend her class reunion social a few years back. Both my wife and I enjoyed the time of reminiscing. She was a good person and I always enjoyed her parents, too. Sincerely, Henrik

“ Joel, I was reading the Waterloo Courier just now and saw your mother's obituary. I am saddened to learn about the passing of such a wonderful, charming lady! When you brought her back to Waterloo several years ago, I was very pleased to be able to chat at length with her. She was a beautiful, gracious woman. I know you'll miss her terribly. My thoughts are with you.

“ Dear Joel, I am sorry you lost your mother, but I am glad for her. I know it has not been easy this last few months for her, but she was a perky lady. We had lots of good times together over these many years and I will treasure them always. Sincerely, Harriet Pinkerton

“ *It was a real pleasure to work with Edith in the gift shop at the hospital. She turned me on to HGTV which has turned into my favorite station!*
