“ *I wonder if she ever mentioned her children she had in 1981 and 1984. I'm one and I know she never made any attempt to contact me and left when I was just a small child, can't say I have any memories of her.*

You aren't the only one. My sister and I, 1973 and 1974.

“ *I miss Elaine so very much and extend my condolences to her family and friends. I did not know her name but I knew her for years as the waitress at Martin's that I always hoped that she would be my "server". Such a kind, happy and caring person. I wish that I had known her more. She has earned her place in heaven millions of times.*
