“ I don't think anyone will ever know how many people were touched by knowing and being in the presence of Elaine. I worked with her at Levi Strauss. One thing is for sure she always had a smile on her face and her biggest joy was when she became a mom. Even after we parted ways from Levi Strauss and I would go into Burger King I ALWAYS got a smile and a hug from her. May her legacy be carried on in her family. God bless you all in this very difficult time.

“ A wonderful child of God has been called home. My dear friend will
be greatly missed. To the family I say Keep your heads up and lets
all pray that Elaine is free from all sorrow and pain. I know that she
wouldn't want for you to be sad, make this a joyous occassion
because she is now able to run, jump, laugh and play like she once
did. I only wish I could be there to celebrate with you. She's is in a
much better place than we are. God Be with you All. In his name

“ Our prayers and thoughts are with your family during the loss of this wonderful person, Elaine. My husband and I both went to high school with her and she later worked at Levi Strauss with my husband. Elaine always had a loving smile and spirit. I reconnected with her when I went back to college, she encouraged me in my educational pursuit while she was suffering so much. She was a great and wonderful person with such a warm spirit. She will be terribly missed.
