ALIVE FOREVER "I am alive forever!" This is the word He said: In Him there is no dying, In Him there are no dead. I am alive forever! This is word to me. Through springtime, after springtime, to live eternally. "I am alive forever!" Oh , tell it far and near- no more can winter trouble or autumn bring its tear. I am alive forever! Let seasons go or stay for Christ is mine forever, forever and a day. Forever and Forever, oh, fling it to the breeze to live with him forever, creator of the trees. I paint with him the sunset, to visit the stars, to flash across God's highways, beyond all earthly bars. I know not how the future shall change me or surprise, but this will be my heaven. To look into His eyes, to hear again His promise, as He sweetly welcomes me- Thou Are Alive Forever, Alive Eternally!

“ Ramon and Family, Heart felt sympathy to you. Martha and I known Ramon and Alice many years. The years pass so quickly that sometimes we lose touch with the people that mean so much to us. You kids try to stay strong and help the old man. Ramon, it's hard but life continues. You have your family to support you. I love you man.
