He liked for you to sign the L too and connect them to make a heart. He was cherished and well-loved. He had been cared for by his parents and his two older siblings for the past 17 yrs. but God decided it was time for him to return to heaven to wait for his family. He loved watching the Dallas Cowboys and the Denver Broncos play football. He played football for Roswell High in his freshman year.

Chewe,

My heart is broken that you are no longer with us. You always brought a smile to my face, I would always wake up and go to check on you making sure that you were doing okay. I never expected to get the call to let me know that you were gone. It is so hard to go over and see your chair empty. But I have to be strong for your Mom & Dad. You are forever gone but will never be forgotten. You will forever live in my heart.

RIP MIJO

Love and Miss You forever,
Tia Vern

Mijo, may you rejoice greatly in the presence of our Lord now you are free to run, jump, and sing his praises forever more.

Love Dad & Mom

When we all get to Heaven what a day of rejoicing that will be.
When we all see Jesus we will sing and shout victory.

Chewe's tribute was written in his honor by his family.
